

Greetings All!

It's time for our Eisbein dinner! This delicious dinner will be served on November 13th at 7pm in Elke's Biergarten. If you aren't familiar with Eisbein, it is a very generous, slightly smoked and cured ham hock served with mashed potatoes, sauerkraut, pea puree, two beers and an after-dinner shot of Obstler.

If you have not attended one of our Stein Club dinners this is one to attend. Great dinner, good friends old and new, cold Bier, and a reason to try Obstler, apple & pear schnapps.

The dinner is \$ 29.75 per person with a \$5.00 discount for Stein Club members. We are also offering the "Share an Eisbein" where the second person pays half price for the sides and beers.

Please RSVP by noon on November 12th! Due to the long cooking time we can only serve this special feast to those friends who call ahead at 972 881 0705 or email us at bavarian@bavariangrill.com for reservations. If you are sharing your Eisbein, please let us know when making your reservation.
