

Dear Juergen,

Happy New Year from your Bavarian Grill Team. It looks like we will have some Gluehwein weather again! The nights turn colder and we still celebrate "Winter Fest" with our special menu. In addition to the all time favorites Eisbein and G'selchtes we also have the Schaschlik.

We would like to help you celebrate your birthday with you and your friends, by playing Happy Birthday for you on our cowbells. And a very special "Danke schoen!" for bringing your family from out of town during the holidays for a great Schnitzel and a cool Bavarian Bier.

Our team is looking forward to serving you again in 2014!

Eisbein aus dem Ananaskraut

We cure a giant ham hock in a special salty brine and simmer it in Sauerkraut until tender. Served with split pea purree and mashed potatoes. It's big enough for two, or take home the left-overs for a special sandwich.
