Stronger than strong. Powerful aromas and an intense flavor. Mahogany, nearly black Eisbock. The aroma reminds of ripe plums with a hint of bitter almonds

and marzipan displaying strong characteristics of banana and clove. It is full and warming on your palate. The ideal digestive after a great dish.

Aventinus Eisbock is in a class by its own. Legend has it that Aventinus barrels froze during transport in cold winter days. Brewers tasted the liquid that had remained unfrozen and were most delighted. As the water freezes before the alcohol, what remains is a concentrated Aventinus - concentrated in aroma and in alcohol. We can offer this delight at any time of the year. 12% alcohol by volume.
